ADOPTING LEGISLATION

REF: STATE 102149

PolOff delivered reftel points to MFA Asst Minister for International Organizations and Security Pjer Simunovic on July 24. Simunovic reported that Croatia has adopted and ratified the International Convention for the Suppression of Acts of Nuclear Terrorism. In addition, the GoC is in the final stages of developing legislation to criminalize activities targeted by the convention that are not yet criminalized under Croatian law: namely contributing to acts of terrorism by brokering the trade of nuclear materials.
